

LITURGICAL ART AND ENVIRONMENT

Purpose: Liturgical Art and Environment is responsible for making the worship space worthy for liturgical, devotional and contemplative prayer.

Responsibilities: Make environment suitable for all liturgical seasons, and special feasts and occasions. The environment is appropriate when it is beautiful, hospitable and liturgically accurate and encourages full and active participation of all.

Commitment: The committee holds monthly meetings and will create a rotating schedule of volunteers to adorn the space on a weekly basis. Time commitment can be 2-4 hours a month depending on the season and the need.

Gifts to share: Love of Good Liturgy is very important. Artistic experience is not necessary, but a willingness and desire to enhance the quality of our worship is always required.

Membership: Any registered and active member of the parish with gifts to share is welcome to join. We are always seeking individuals who wish to participate in this ministry.
